## SALARY REFUSED.

CHARLESTON, June 25.—A precedent was established in state financial affairs when the four members of the public service commission adopted a resolution refusing any salary for the month of May. The law creating the commission provides that their terms of office begin May 1. They were not appointed until late in May and did not organize until June 2. The monthly salary of each member is \$500.

## FINDS DOOR OPEN.

Richard Brooks, merchants' policeman, found a rear door of a Main street store wide open at 1 o'clock this morning. He summoned policemen and with them went through the building, examined door locks, adjusted the night latch on the door and left it securely locked. They found no one in the building and so far as they saw nothing had been disturbed.

## Recovered From Severe Lung Trouble

While we all know that plenty of fresh air and good food are necessary to persons suffering from lung trouble, something more is needed to bring about full health. Eckman's Alternative is a medicine for three to four days' use, and so many reports have been received showing that it brought about good results in a number of cases which were declared hopeless, that all sufferers who are not benefiting otherwise should at least investigate what it has done for others. It may be the means of restoring you to health. Investigate the case.

"Gentlemen: In December, 1908, and March, 1909, I was taken with hemorrhages of the lungs, which confined me several weeks each time to my bed. These left me very weak and I coughed at nights and could not sleep. My appetite also failed me. My doctor advised me to go West. So, in September, 1910, I planned to leave but I had four more hemorrhages, which put me in bed for three weeks. In November I started for Denver, Colo. After my arrival I met Michael Brady, who, upon learning of my condition, urged that I take Eckman's Alternative. In about two months, I began to feel better. I kept on taking the medicine until I was cured. In March, 1910, I returned home. I think I am entirely well, have a good appetite and sleep well. I lost 150 pounds. I now weigh 165, my normal weight. I thank God and your Alternative for my health. If I can help any other person suffering from lung trouble, I will gladly do so." (Sworn affidavit) PAUL L. PASNACHT, Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in all lung diseases. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet describing Eckman's Alternative at Eckman's Laboratory, Philadelphia, Pa. For more evidence. For sale by all druggists.

## ECZEMA 25 YEARS FACE A MASS OF IT

Says "Resinol Cured Me of One of the Worst Cases Anybody Ever Saw."

Philadelphia, Pa., Sept. 20, 1912.—"I had eczema for the last twenty-five years, and have been afflicted so badly that for weeks I could not go outside the door. My face was one mass of pimples, and not only the looks of it but the itching and burning pains I experienced were just dreadful. I lost a great deal of sleep and had to keep dampened cloths on my face all night to relieve the pain. I had become disgusted with trying different things. "One day I made up my mind to try Resinol, and after using one jar of Resinol Ointment and one cake of Resinol Soap, I saw the difference, and now my face is as clear as anybody's, and I certainly don't need to be ashamed to go out. Resinol Soap and Resinol Ointment cured me of one of the worst cases of eczema. I guess that anybody ever saw." (Signed) Mrs. C. Hellmuth, 5611 Appletree Street.

Try Resinol yourself and see how quickly the itching stops and how the eruptions disappear. Resinol Ointment and Soap are sold by all druggists. For free trial, write to Dept. 19-M, Resinol, Baltimore, Md.

## Obstinate Acne Quickly Yields

Fine Remedy that Clears Skin of Pimples on Cheeks, Temples, Sides of Nose and Chin.

Acne attacks the glandular structure of the skin, more particularly those of the skin that secrete fat. And it is here that S. S. S., the famous blood purifier, is most active in its influence.

There is one ingredient in S. S. S., the purpose of which is to stimulate the cells in the tissues that they select from the blood the nutriment that makes new skin and thus eliminates all irritants, bacteria and parasites that inflame the glands. There is a natural tendency of the fine network of blood vessels in the skin to throw off impurities, but where a persistent inflammation process has invaded the skin, the natural repair work of the blood is interrupted with it. It requires the stimulating activity of S. S. S. to overcome such morbid conditions. If you have been troubled with acne, do not despair of a cure.

You can get S. S. S. in any drug store, but insist upon having it. Take no chance with a substitute. And if your blood condition is such that you would like to consult a specialist, freely address the Medical Dept., The Swift Specific Company, 161 Swift Bldg., Atlanta, Ga.
